

Challenge #1: Goal

Website Plan for Black Pink Fan Hub:

My goal is to make a website that contain a cooking recipes

Plans:

1. for Home page it contain a pictures of categories of foods
2. for About Page it contain a picture and description of the owner
3. for Tags page it contain a tags of categories of foods
4. for Recipes page it contain a many recipes of foods
5. for the Blogs page it contain a advertisement video of cooking

this website is very usefull for earning a free recipes that can you serve your family everyday.
